

hi [11]

THE SCANDINAVIAN INDUSTRY EXPO

6 - 9 september 2011
hi11.dk

Visit hi[11]

– Scandinavia's largest industry expo

Woodtech | Tools + Hardware | Logistics | Electronics | Industrial IT | Innovation | Subsuppliers | Automation | Welding + Cutting

Here, you will find suppliers and news within **nine different industries**

Find new solutions, be inspired & cultivate your relations

Nearly 600 exhibitors are ready to inspire you and your colleagues as well as to show you news and solutions. They represent all branches of the Danish industry, and they are gathered under one roof.

hi MARKS - lots of news

The news flow at hi[11] is large, and you will easily find all the news at hi11.dk. You might find just what your company is missing. At the expo, no less than 244 news will be presented. Of these, 89 are world news.

The personal meeting strengthens your network

At hi[11], you will get something very unique for this electronic era – namely the possibility of meeting your suppliers, partners, competitors and colleagues in person.

New knowledge

At the expo, you will find several innovation areas that, among others, focus on the robotics of the future, new inventions and the Danish wind industry. At hi11.dk, you can learn much more about the many experiences and conferences that take place during the expo.

You can meet the following exhibitors at hi[11] – and more are registering every day. For an updated list visit hi11.dk

It is easy to get to hi[11]

You can print your personal entry badge in advance at hi11.dk, or when you get to the expo.

There are lots of ways to get to [hi\[11\]](http://hi11.dk). Learn more at hi11.dk

You can, of course, also fill your car with colleagues and follow the motorway all the way to MCH

Entrance East: Logistics

Entrance South: Automation, Electronics, Industrial IT og Wind Power

Entrance West: Welding + Cutting, Woodtech, Innovation, Tools + Hardware og Subsuppliers
